Great teacher
Excellent instructor. Very enthusiastic about subject matter and concerned that students learn skills applicable to their future careers.
helpful, cooperative, visionary, friendly
He is a very good teacher. Always well prepared and ready to help the students. Although this topic was completely new to me, due to his way of teaching, I have learned a lot about programming. I am fully satisfied with this course and hope that it will help the other students as well in the future.

(AG-04) Comments about Course EXST 7087 (section 001): ADV TOPICS IN STAT - DIGITAL AGRICULTURE

Comments
Although only second offering of course, it was excellent. Covered a wide range of topics in enough depth to allow students to continue learning on their own. The course is evolving in tandem with changes in Digital Agriculture.
very useful content in syllabus but limited time is a constraint.
It is necessary to instruct the students to come with the software and data set already downloaded on their computers. It would save a lot of the class time.
Now, I am able to use complex coding software that was completely new to me before this course. Course material provided by Dr. Gentimis was very helpful to learn and improve skills.

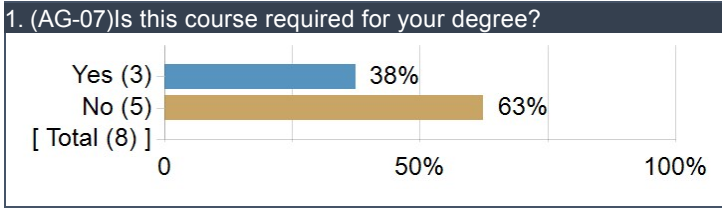

(AG-05) Overall, I would evaluate this course as excellent.

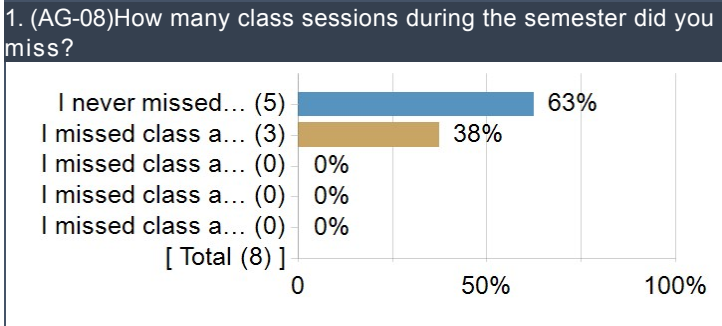

(AG-06)Overall, I would evaluate this instructor Athanasios Gentimis as effective.
